EXPO AUS HEADLINE PARTNER

**JOHN
HOLLAND**

JOHN HOLLAND

At John Holland, our purpose is simple: we transform lives with everything we do.

We've always known at its heart infrastructure is about people — our customers, our employees, and the communities in which we work.

That's our difference. Deep experience and capability with a genuine care about creating better lives for people along the way.

We are a trusted partner, delivering projects that transform journeys by creating new road and rail networks. We partner with communities to provide essential infrastructure. Designing, engineering, constructing, and operating services across Australia and New Zealand, we connect people to the places they want to go – and to each other.

Our culture is focused on combining technical capability and innovation with a deep commitment to community, sustainability, wellbeing, and safety.

As market leaders for over 70 years, we get the job done right.
