VENUE

Wembley Stadium, London
HA9 0WS, United Kingdom

ENTERING THE VENUE

Entrance to Wembley stadium on Tuesday, 7th & Wednesday, 8th November 2023

All attendees will be using the main entrance, that is the **Club Wembley Main Entrance** situated on ground level at the north of the stadium.

For partners who are carrying big items to and from the stadium, has **2 options** to load and/or off-load items:

1st Option: The main/primary access point for all deliveries and collections is **West Service Gate**. After entering, drive through to the loading bay where the sign post shows **Wembley Logistics/Delaware North Logistics**.

Please note, **West Gate is close to the Wembley Park Boulevard street.**

To come up to the Great Hall, delegates should use lift number 26, and press on the 3rd.

2nd Option: The **secondary delivery/collection entrance** is Gate 3, which connects to the **level 1 Turnstiles**. Unless otherwise mentioned, please do not use this entrance to off-load/collect items.

ENTERING THE VENUE

PARKING

There are several public pay and display car parks nearby and more information can be found at [Wembley official parking](#).

IMPORTANT

It is imperative that photo ID such as a driving licence or passport is brought with you to the venue for registration.

You will not be allowed to enter the venue building without photo id even if you have pre-registered. Security is very strict at the Wembley Stadium, hence there will be no exceptions.

Accepted ID:

The ticket / badge should be retained by guests throughout their time in the Stadium as it will be needed for re-entry should they leave the building.

LOGISTICS INFORMATION FOR PARTNERS

01 | Stand set-up & delivery of partners' exhibit items:

Please note, ALL stands are pre-built. To check the respective stand design, as per your partnership level, please check Expo **sponsorship brochure**.

You may arrange your stand for example, setting up the table with promotional items, setting up the pull up banners (if any), on Monday 6th November, between 11:00 hrs to 18:00 hrs and/or Tuesday morning, 7th November 2023, between 07:00 hrs – 08:00 hrs. Please carry the promotional items and/or pull-up banners, along with you to the venue when you setup the stand on 6th or 7th November 2023.

Important note: Partners who will be carrying big items inside the venue is required to notify the Expo team in advance. Partner is required to fill-up **NEW Vehicle Booking Form** (request for this form if you need one) and send it to Amrita Biswas at amrita@projcon-group.com at least 3 days prior to the event. **Vehicle access will be denied if this form doesn't reach the venue on time.**

Should the **international partner/s** wish to courier their exhibit's promotional items or pull-up banner etc., please contact Amrita Biswas at Amrita@projcon-group.com or

Enrose Wani at Enrose@ProjectControlExpo.com for further instructions. **Please note, the items must reach us by 30th October 2023**, hence please contact us ASAP should you have this requirement.

02 | Collections of Partners' exhibit material:

We request all partners to collect their items on the last day of the event, i.e. 8th November. Due to a limited storage facility, the stadium will not be able to hold packages post the Expo event.

For our international partners, the items should be labeled and handed over to the Expo staff, on the 8th November. Expo staff will relocate them to a separate location from where our partners need to book the pick up at their own cost. Full details on this will be shared while booking your shipment to the venue.

03 | Wrap-up of stands:

Partners can wrap-up their items for e.g., promotional material, pull-up banners etc (if any) from 17:00 hrs on Wednesday, 8th of November.

PROCEDURE FOR BADGE COLLECTION

Partners can enter the stadium at 07:00hrs on both days (i.e. 7-8 November 2023). Your name badge will be shared with you upon arrival at the venue on Tuesday 7th November. Please present your ID and the registration confirmation email to receive your name badge. Alternatively, you may also log in to the Expo App and confirm for your registration.

All exhibitors are required to give the names of delegates manning the stand at least **10 days** in advance.

DATA COLLECTION

Project Controls Expo will be using a brand-new App with a variety of useful features. A detailed guideline on its benefits and features will soon be published under the **FAQ section**.

The QR code scanning option is now integrated within the Project Controls Expo App. ALL our partners and delegates will not only be able to scan and retrieve delegates' information quickly and easily, but also there will be no additional charges to procure additional scanners. The collected leads can be emailed to your own account easily within the app. Detailed guideline on how to scan the QR code and download leads is explained under the **Data Collection Guideline via App**. All exhibitors are required to give the names of delegates manning the stand at least 10 days in advance.
