IMPORTANT INFORMATION

Please note that by default, all of our speakers' time slots are shown in Australian Eastern Standard Time (AEST). When bookmarking your sessions, it is important to check that you have bookmarked the appropriate time zone for yourself.

In order to view the specific time relevant to your local zone, please use the dropdown menu next to the session time.

Given the time differences between regions there will be sessions that start a day before the published date, or sessions that finish after the stated date.

For example:

➤ The keynote session starting at 09:30 AEST on Tuesday 7th June in Australia and that will be 19:30 EDT on Monday 6th June.

➤ The final session of the event will be at 09:00 AEST on Friday 10th June in Australia and that will be 19:00 EDT on Thursday 9th June.
