# Key Features/Attractions

Partner Showcase and Main Networking zone at Highbury Suite, Masterclass Zone @ Royal Oak Suite, Workshop Zone @ Dial Square Suite, Technical Zone @ Champions Suite and Back to Basics Zone @ Woolwich Suite. In addition to this, delegates can also explore "networking cafe" at 49ers Suite. There is also an opportunity for delegates to buy 70+ Project Management/ Controls title books at 40% discounted rates.

Expo 2015 also offers all day beverages, buffet lunch and "evening social" (includes beer, wine and soft drinks) to all delegates followed by dinner for sponsors, speakers and selected guests.

Industries represented – Oil & Gas, Construction, Rails, Infrastructure, Defence, Nuclear and Government to name a few.

## Location

### **Emirates Arsenal Stadium/ Football Club, 75 Drayton Park, London N5 1BU**

Parking at the stadium is NOT available so please park at nearby car parks

(Link to find the nearby car parks: [http://en.parkopedia.co.uk/parking/n5\\_1bu/](http://en.parkopedia.co.uk/parking/n5_1bu/) )

## Directions

Getting to Emirates Stadium is simple; London's comprehensive public transport system will take you here within a few minutes' walk from local bus stops and tube stations, thanks to clearly located pedestrian signs pointing towards the stadium.

### **Tube and Rail (Preferred option):**

Both Arsenal and Holloway Road Stations (Piccadilly Line) are around three minutes walk from the ground. Finsbury Park (Victoria / Piccadilly Lines and overground rail) and Highbury & Islington (Victoria Line, North London Line, overground rail) stations are around 10 minutes walk from Emirates Stadium.

*We recommend "Holloway Road Station (Piccadilly Line)" considering it is nearest to "West stand" where the event is taking place. Please see map for more clear guidance. After you get out of Holloway road station, turn right and immediately turn left at signal crossing. You will see "Arsenal football club" signposting at this crossing junction. This brings you at "Hornsey road". Keep walking on Hornsey road for 100 yards and Arsenal stadium's west entrance will be just in front of you. Just climb the stairs that leads to expo reception.*

### **Bus:**

Buses are fast and convenient with connections passing the ground on all sides. Main bus stops are located on Holloway Road, Nag's Head, Seven Sisters Road, Blackstock Road and Highbury Corner. Direct, high frequency services from much of north and central London travel within five minutes walk of the ground.

### **Air:**

For our international visitors, nearest airport is London Heathrow which is well connected via extensive rail connections from Paddington (16 mins by train from Heathrow).

### **Walking:**

Local pedestrian routes are clearly signposted from all local transport gateways directing you along approved routes to the stadium. Upon reaching the stadium, please approach Highbury West Entrance between turnstiles A & S.

**Important note:** Upon reaching the Emirates Stadium (via options listed above), please head towards the West entrance of the stadium as shown in map below. The west stand faces Hornsey Road. Upon reaching there, you will be required to climb stairs to head towards "Highbury". At the Ground floor of Highbury, there is small reception desk with the main on Level 1. There are stairs and escalators to access Level 1.

## Logistics Instructions for Exhibitors

Exhibitors can set up their stands one night before i.e., on 11 Nov 2015 from 1800hrs - 2100hrs. They can also send the courier with their items to the stadium (address below) up to 2 days in advance and also can pick up their exhibits up to 1 day post event from the stadium.

### Address for sending deliveries:

AFC Logistics  
Security Entrance, Emirates Stadium  
Queensland Road  
London  
N7 7AJ

Important Note - All vehicles need to access the stadium by the Queensland Road entrance (see map above). They will be checked in by Security who will then send them round to the Yellow 1 car park, where a steward will show them the nearest service lift and into the Highbury suite. Deliveries need to be clearly marked with the event name/function room (i.e., Project Controls Expo/Highbury Suite), and they need to go to the stadium address and not the Drayton Park address which is the Arsenal office address. Any deliveries during the set up and on the day will be sent directly round and a steward will show up to the room.

Please ensure that all deliveries are clearly marked with the Company name, function suite i.e., Highbury and date of the event (12 Nov 2015). All packages that are due to be collected should be left in the room post event and clearly marked with a contact name, return address and contact number. These packages will then be held in Stadium's secure storage until they are collected. Please ask all couriers to deliver/pick up between business hours 9.00-17.00. Due to a limited amount of storage, any packages that have not been collected within 28 days of the final day of your event will be at risk of being discarded.

There is limited parking available in the stadium, but exhibitors are welcome to drive in to drop off/collect. Project Controls Expo management will require the driver name and vehicle registration of any car driving in to the stadium. Pedestrian entry is the Highbury West Entrance between turnstiles A & S.

Exhibitors arriving by public transport or foot can enter at the Highbury West Entrance between turnstiles A/S on both days (11 Nov - between 1800-2100 hrs and 18 Nov - Before 0800 hrs) for setting up their exhibit.

# Accommodation

There are plenty of accommodation options around Arsenal stadium. For your convenience, please see some the selected hotels locally who will be glad to offer you best rates to attend the event.

# \*Quiet Zones

Quiet Zones offers you peaceful area with comfortable seating. Please keep your phones switched off or in "silent mode" to ensure you don't disturb others. You can also access/view all the presentations from Quiet Zones if you wish to do so.

Please note considering the size of the event, Expo is spread across the 3/4th of the stadium so please make yourself fully aware of all the zones and plan your sessions accordingly. There is plenty of seating capacity (circa 250) in each zone to ensure you don't miss any presentation if you get late due to travelling between various zones.

For your convenience, below is some guidance on walking time between various zones:

Highbury to Royal Oak:	circa 20 seconds
Highbury to Dial Square:	circa 20 seconds
Highbury to 49ers:	circa 10 seconds
Highbury to Champions:	circa 10 seconds
Dial Square to Royal Oak:	circa 35 seconds
Highbury to Woolwich :	circa 50 seconds

To ensure delegates have least problems with navigation, there is significant signage at venue and in addition to that we have our crew/stewards who can help you move across the stadium efficiently.

## And relax!

After an intense day of learning come and join organisers, delegates and leading Project Controls Expo Partners for some uninterrupted networking. Reacquaint yourself with old friends and make new contacts whilst enjoying a few drinks.

# About Us

Project Controls Expo is organised by ProjectControlsOnline.com (PCO) also popularly referred to as "Global Home of Project Controls".

PCO is the largest Project Controls central repository and knowledge base with presence in all 7 continents and over 150 countries. We are first choice of all Project Controls stakeholders (providers and consumers) as a venue for informational exchange across all industries that apply Project Controls principles.

Visit PCO to explore its Premium features such as Video Training Modules and Premium Library along with many other services i.e., White Papers and Presentations, Glossary, Conference Presentations, Free Library, Paperback Literature, Practitioners Guide, Blogs, Tools and JobZone, for the benefit of Project Controls Community.

PCO is managed by a global network of Senior Project Controls professionals who come from a variety of different industries. PCO leadership consists of "Core Team" together with a "Board of Advisors" from around the world. Under this leadership team, PCO boasts an impressive band of subject experts whose expertise spans the full spectrum of Project Controls. We are independent and not biased towards any technology, process, software or company.

PCO is a non-profit organisation and the revenue generated from its features is invested into its maintenance and further enhancement. All the team members are volunteers and working towards achieving our following vision

- ▶ To be the first choice of all Project Controls stakeholders -- providers and consumers
- ▶ To promote an universal understanding of Project Controls value and processes
- ▶ To develop a central repository of data on Project Controls
- ▶ To generate awareness and offer expert guidance on Project Controls tools & practices.
- ▶ To build the first exclusive network of genuine Project Controls practitioners and their customers.

Hope you enjoy your time at Expo and we always look forward to your suggestions to help us improve.

Thanks,  
PCO & Expo Team
